KEY POINTS

MERRY FISHER
895 SPORT *SERIE 2*

Pure adventure

Versatile and modular, the new Merry Fisher 895 Sport Series 2 is designed for all lovers of nature, placing adventure and exploration at the heart of the experience!

With sporty styling, large windows in the hull, and an inverted windscreen, the Merry Fisher 895 Sport Series 2 is a charmer, with a bold, adventurous look.

This new model further solidifies the position of the Merry Fisher Sport line as essential on the market of 8-metre powerboats, owing to its vast exterior living spaces in continuous connection with the sea, and its comfortable layout, featuring two independent cabins

A Clever and Versatile Exterior

Aboard the new Merry Fisher 895 Sport Series 2, everything has been designed to enable connection with the natural environment, to enjoy wide-open spaces on the water and to set out to conquer new landscapes.

The forward cockpit, with its distinctive design and equipped with U-shaped bench seating, is truly an independent saloon, dedicated to shared moments of entertaining and relaxation.

A deeply recessed, very secure sidedeck enables easy movement between the foredeck and the aft of the boat. The forward cockpit, also recessed, facilitates anchoring and allows you to take full advantage of the stopover!

A Clever and Versatile Exterior

With her vast modular aft cockpit, this new model is ideal for all your marine activities and water sports. The two foldaway bench seats can provide an open space for handling equipment: space for inflating the paddleboard or kayak without constraints!

To starboard, the large central side door in the cockpit ensures safe access on board. It also allows for easy launching and loading heavy and bulky equipment, such as for all-terrain biking, diving, kitesurfing...

Moving aft, we find a storage module, with the ability to transform into a true exterior galley including a sink and a grill covered by a panel of tinted glass.

Head out on an adventure to create unforgettable experiences with family and friends!

The Merry Fisher 895 Sport Series 2 is the ultimate sporty cruiser, designed as a floating swim platform adapted to suit the activities of the entire crew, all while delivering enhanced comfort.

Full-Comfort Cruising

With adventure, the thrill is always within reach!

The new hull delivers an excellent performance at sea, as well as stability, and indisputable driving comfort. This hull enables fast planing, starting at intermediate speeds.

Standard models come equipped with twin 200 HP engines, while a new version offers twin x 250 HP engines and joystick, for even more power and effortless control.

The Merry Fisher 895 Sport Series 2 guarantees safe and fast cruising, enabling you to easily access rugged landscapes and to connect with nature: get ready for fascinating discoveries!

Extend the Moment

A true SUV of the sea, she is equipped with two separate cabins, allowing you to sleep on board and extend your stay to enjoy anchorages in unexplored places.

The owner's cabin features a new sliding door, enabling direct access to the hanging clothes locker and a fixed double berth. The ergonomic bathroom has been optimised to integrate a comfortable and practical vanity space, while cabins are bright and perfectly ventilated, inviting a well-deserved, peaceful rest.

The interior galley has been repositioned further aft, closer to the cockpit and the exterior living space. Careful attention has been paid to materials (Corian countertop, new wood in Grey Walnut...) to offer high quality fit and finish.

The helm seat rotates (optional), inviting moments of exchange in the saloon over the day's discoveries.

KEY POINTS

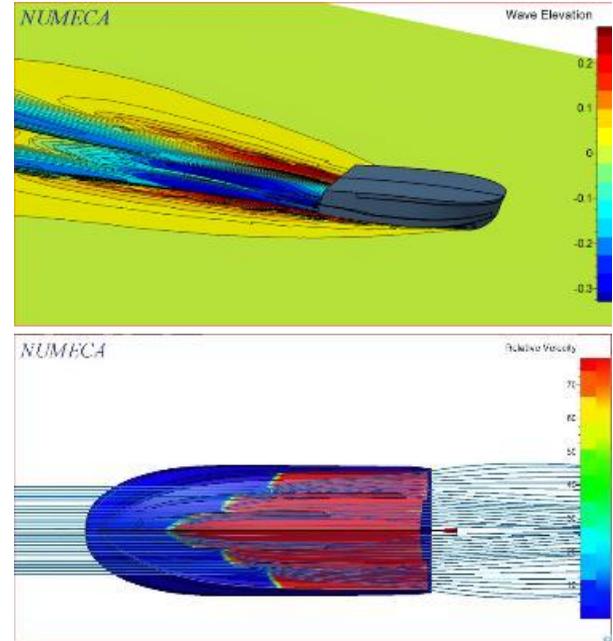

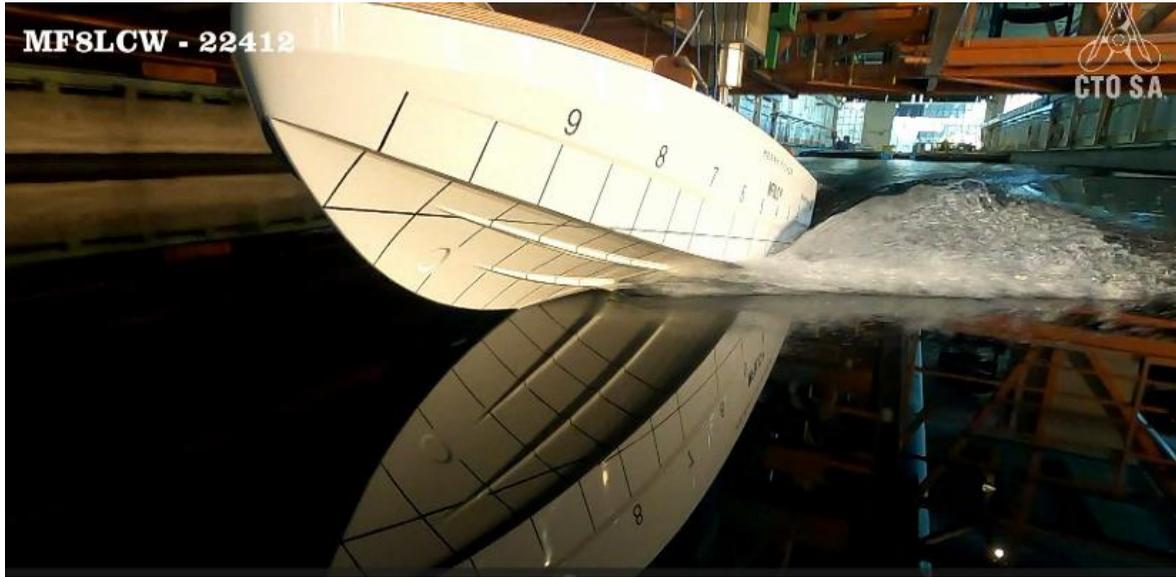

MERRY FISHER 895 SPORT *SERIE 2*

New Merry Fisher **Sport** identity :

- New shape of hull windows
- Racy design and contemporary lines

KEY POINTS

MERRY FISHER 895 SPORT *SERIE 2*

NEW HULL OPTIMIZED FOR OUTBOARDS AND FLAT CRUISING AT INTERMEDIATE SPEEDS, IN THE SAME SPIRIT AS THE HULL DEVELOPED FOR THE MERRY FISHER 1295 FLY.
